Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Claim 1 limitation "maximum quality of service" is discussed. The attorney alleged that Prieto does not disclose it. Examiner respectfully disagree, and examiner assert that broadly claimed "maximum quality of service" read on Prieto's the quality of service, see Prieto col. 7, line 47 to col.8, line 34. The claim limitation still reads on prior art since it does not specifically define/limits what maximum quality of service is. The attorney proposes to further define maximum quality of service in coming formal responses by attempting to overcome the applied rejection.
